

LEADING WITH S.O.U.L.

EXECUTIVE COACHING MODEL

Enrich your Leadership Journey by feeding your S.O.U.L.

● SELF ●

Know yourself. Understand your strengths and blind spots and commit to intellectual curiosity.

● OTHERS ●

See others more fully. Appreciate the gifts of others. Live in gratitude of contributions others make to you and the world.

● UNDERSTANDING ●

Grow in empathy. Strive to understand others lived experiences in meaningful ways.

● LEADERSHIP LEGACY ●

Behave today with the end in mind. Mind your "dash". Explore what you want others to *feel* about you? Inspire greatness in others.
